Do you work directly with Gifted and Talented students in CCISD?
 If yes, then you should join CASE today!

CASE for Gifted Children is a non-profit support and advocacy group for parents, teachers, and other supporters of gifted education within CCISD.

Membership in CASE is a great investment in gifted education. CASE has very low overhead and most of your membership dues will provide programs for parents and educators or scholarships for educators in CCISD to further their G/T specific education.

Communicate CASE communicates current news and events that impact gifted children within CCISD through the CASE website, newsletter, meetings, and parent/teacher network.

Advocate CASE is the parent interface with the district, advocating for positive changes in gifted programming throughout the district. CASE also helps to equip parents to more effectively advocate for their children.

Support CASE provides venues to interact with and learn from other parents of gifted children, thereby serving as a support group for parents to navigate the social, emotional, and educational challenges involved in raising a gifted child.

Educate Regular CASE meetings, newsletters, and the website provide valuable information and resources to parents and educators. In addition, teachers across the district are supported with funding for continuing gifted education.
